 - (v) Reduction to a lower time-scale-of pay, grade-post or service which shall ordinarily be a bar to the promotion of the employee to the time-scale of pay grade, post of service from which he was reduced, with or without further directions regarding conditions of restoration to the grade, post or service from which the employee was reduced and his seniority and pay in such restoration to that grade, post or service;
 - (vi) Compulsory Retirement;
 - (vii) Removal or dismissal from service.

B. Explanations:—

- I. The termination of employment of-
 - (a) a person appointed on probation during or at the end of the period of probation in accordance with the terms of appointment, or
 - (b) a temporary employee on the expiry of the period of his appointment, or
 - (c) a person engaged on contract in accordance with the terms of his contract, is not removal or dismissal from service.

C. In all cases of imposition of penalties the grounds on which it is proposed to take action shall be reduced in the form of definite charge or charges and communicated to the employee concerned together with a statement of facts on which the charges are based and other circumstances, if any, which it is proposed to take into consideration in passing orders on the cases. The employee charged may put in a written statement of his defence for which he shall be given a minimum period of two weeks from the date of receipt of charge-sheet by him along with documentary evidence, if any. Upon receipt of the statement of defence from the employee, or at the expiry of the period allowed for submission of his statement of defence, the authority concerned may, after examination of relevant facts and circumstances, either drop the case or decide to proceed further. If it is decided to proceed further, a formal enquiry shall be held informing the employee concerned of the penalty provisionally proposed to be taken against him and asking him to be present at the enquiry thereafter, if he so desires, to produce further evidence in support of his defence. The authority concerned shall thereafter take decision on the findings of the enquiry. If however, it is decided to impose a penalty other than what was communicated to the employee at the state of the formal enquiry, another opportunity will be given to him to submit a written statement against imposition of the other penalty within two weeks from the date of receipt of the above communication by him in this respect and if considered necessary, a fresh enquiry will be made and the evidence of such enquiry shall be taken into account before final orders are passed. In all cases principles of natural justice shall be followed and the employee shall be given adequate opportunity to defend his case:

Provided that no pleader or agent shall be allowed to appear at the enquiry on behalf of the college or the employee concerned.

D. An employee who is removed or dismissed from service shall not draw any pay or allowances from the date such removal or dismissal is ordered to be effective.

E. The order of removal or dismissal from service shall not be given retrospective effect with reference to the date of the order.

F. An employee under suspension shall be entitled to get a subsistence grant at one-half of the pay of the post held by him plus admissible allowances.

G. (a) When the suspension of an employee is held to have been unjustifiable or not wholly justifiable, or when an employee who had been removed or dismissed or suspended from service is reinstated, the authority shall grant to him for the period of his absence from duty:

- (i) If he is honorably acquitted the full pay and allowances to which he would have been entitled if he had not been dismissed, removed or suspended:
 - (ii) If otherwise, such proportion of pay and allowances as the authority concerned may prescribe.
- (b) In a case falling under Clause (i) (a) (G) of this Statute the entire period absence from duty shall be treated as a period spent on duty. In a case falling under item (ii) (a) (G) of this Statute the period may be treated as duty or leave as the authority concerned may direct.
- (c) The amount of subsistence grant, if any, already drawn shall be deducted from the pay and allowance or proportion thereof which may be granted under this Statute.

- 128.** (a) In any case not expressly provided for in those Statutes, the college authorities may obtain such direction from the University as may be necessary in the special circumstances of the case.
